### **LOGO Expressions Promotes RBV Grad**

LOGO Expressions Inc. has promoted Rancho Buena Vista graduate Jennifer Boddie from High School Intern to E-Com Assistant. Jennifer has worked for the past year as an intern for the company, and because of her hard work and great attitude she was hired on permanently after she graduated. LOGO Expressions Inc. has participated in the RBV intern program for the past several years. "It's a terrific program that not only teaches the students how to work in a real company, but helps the company because the students do a lot of the things that other employees are too busy to do", says company President Sandra Moffitt. "And the students bring a lot of young energy to the company which makes it a lot of fun."
