LOGO Expressions is moving

LOGO Expressions Inc., a promotional products company in the Vista Business Park, has purchased a larger building in the Vista Business Park, located at 2357 La Mirada Dr. The company will be moving to their new, larger headquarters on May 31. The company has continued to grow each year they have been in business and the new building which is almost 5000 square feet, should be able to handle the company's continued growth for the next several years.

LOGO Expressions has continued to see increased sales for each of the 8 years they have been in business, and with \$2 million dollars a year in sales are listed as one of the fastest growing small businesses in San Diego. The company attributes much of their growth to their website and their growing Ecommerce presence across the nation. They also hire many local college students and graduates who add their technical expertise and enthusiasm to the design and function of the company's website which has helped improve it dramatically.
